STORAGE PODS

The Board of Directors passed a policy that no storage pods will be allowed on the street, parking bay or yards without written permission from the office. Violators will be charged \$50.00/day and/or subject to eviction.

Residents must complete a stockholder change request and submit it to the office for approval to have a storage pod. The request should have the name and contact information of the company supplying the storage pod, and the dates that the storage pod will be on property. If the storage pod is going to be placed in a parking space, you must notify each of your neighbors in your building. When the change request is submitted to the office you will be informed where the storage pod can be placed.

-Helene Martinez

I have been nominated to join the Board as a member-at-large. I have been on the Board for many groups in the past & always choose to do, or support, the ideas that are the greatest good for the greatest number. Many of the residents here rarely read this newsletter or attend the Board meetings. I hope this will change and hope to see you at the future meetings. This is our community. Let's show our support for our community.

MINUTES OF THE BOARD OF DIRECTORS
THE HOMES, INC.
February 19, 2024

The regular monthly meeting of the Board of Directors of The Homes, Inc. was called to order at 5:30 p.m. on February 19, 2024.

Present were: Frank Moss, Ray Olsen, Jerry DeMeyer, Charles Sawyer and Elaine Hines, Board Members; Elizabeth Bothwell, Manager; and Karen Brokesh, Transcriber. Attorney Greg Goheen was absent.

Six stockholders and residents attended the meeting.

It was announced that the work order reports for December 2023 and January 2024 have been posted.

Minutes of the regular meeting of December 18, 2023, and the December 18, 2023, executive session had previously been distributed to all board members. Jerry DeMeyer moved to approve the minutes as submitted. Seconded by Elaine Hines. Carried unanimously.

Treasurer Olsen reported that he has reviewed the financial statement for the months of December 2023 and January 2024 and found them to be in good order. Ray Olsen moved to approve the financial reports. Seconded by Charles Sawyer. Carried unanimously.

There were no stockholder change requests approved by the manager.

The first stockholder change request for board approval was by Alexandre Snow, 971 Manorcrest, to install an electrical outlet and switch to existing shed.

The second stockholder change request for board approval was by Jorge Chavez, 708 Manorcrest, to move existing dog run to back of property.

The third stockholder change request for board approval was by Victoria Saylor, 12 Reidcrest, to install a chain link in front yard.

Elaine Hines moved to approve the stockholder change requests. Seconded by Charles Sawyer. Carried unanimously.

Secretary Hines read the stock transfer approvals as follows:

ADDRESS	TRANSFER FROM	TRANSFER TO
936 Manorcrest	Jamie Adams and Jim Tavis	Teresa Strasburg
942 Manorcrest	Jamie Adams and Jim Tavis	Teresa Strasburg
6 Summitcrest	The Homes, Inc.	Juliet K. Horton and Cinnamon M. Smith
8 Summitcrest	The Homes, Inc.	Juliet K. Horton and Cinnamon M. Smith

After being informed that the stock transfers were in order, it was moved by Elaine Hines and seconded by Charles Sawyer that the Corporation waive its option to purchase the shares of stock and approve transfer of same. Carried unanimously. The manager was reminded that all original signed stock certificates must be stored with the credit union if the stockholder has an outstanding loan.

3. How much is the pro rata portion of the 2023 real estate taxes for a single unit?

Reports and Announcements:

None.

Old Business to be Discussed:

The corporation is still waiting to hear back on the offer made to resolve the dispute regarding the 2022 real estate taxes.

Liz Cercone has volunteered to be the third ballot inspector at the upcoming election/annual meeting.

A new roof was installed at 871-877 Manorcrest.

New Business to be Discussed:

The Homes continues to work with the Sheriff's Department and Sunflower Tow to have vehicles with illegal tags removed from the community. Every two weeks a list of illegal tags (with pictures and location) is sent to the Sheriff's Department. Eventually, The Homes would like Sunflower Tow to patrol the neighborhood and remove vehicles with expired tags. However, Sunflower Tow cannot remove cars from public property and will only come out if the Sheriff's Department makes a request.

The Homes has been using a credit reporting company to obtain credit information for applicants. The agency is no longer offering the three credit bureau scores. Until another agency is found, the corporation will have to rely on one credit score during the application process.

The board discussed implementing a policy on the use of storage pods in the neighborhood. Ray Olsen moved to implement a policy that no storage pods will be allowed on the street, parking bay or yards without written permission from the office. Violators will be charged \$50.00/day and/or subject to eviction. Seconded by Elaine Hines. Carried unanimously.

The board discussed the possibility of transferring the remaining funds held by Neighborhood Watch to the Save the Dogs and Cats fund at the credit union. There is approximately \$3,000.00 in the account and Jim Tavis is a signator on Neighborhood Watch's account.

A new grounds inspector has been hired.

The re-opening of the K-5 bridge is scheduled for the end of 2025. The re-opening of Sunshine Road is scheduled for late April, 2024.

Two young stray dogs are being fostered by a resident of The Homes. A resident recently passed away and left two cats. All are in need of a forever home. If anyone is interested in getting a new pet, please contact the office.

Comments from Directors and Attorney:

HELPFUL HINTS ABOUT LIVING IN THE HOMES

PLUMBING: DO NOT FLUSH FLUSHABLE WIPES. The pipes in our homes are over 70 years old. They do not have the capacity to wash away any other material. Do not flush baby wipes, feminine hygiene products, diapers, paper towels, Q tips, etc. The sink and tub drains are only for water disposal. Do not force items down the drains. If maintenance finds these items consistently causing a backup in your pipes you may be charged for the repair.

PARKING: The Homes does not have assigned parking. Please be considerate of your neighbors and their parking needs. Try not to park in a spot that is normally used by your neighbor. If you have guest, have them park in the overflow lots. **NEVER PARK IN YARDS OR COMMON GROUND. EXPIRED VEHICLE TAGS WILL BE TURNED OVER TO THE SHERIFF'S DEPARTMENT FOR TICKETING AND TOWING.**

YARDS & PORCHES: Please take the time to clean up/organize your yard and porch. The size of our porches does not allow for you to keep many items on them before they start to look cluttered and messy. If you do not have a shed an affordable alternative is to store your items in a deck or patio box. They range in cost from \$30 to \$100 and can be purchased on-line or at your local discount store. Items that should not be on your porch: appliances, boxes, buckets, mops, paint containers or any other "non outdoor" items. The office offers free paint for your porch railings.

SPEEDING. The speed limit in The Homes, Inc. is 20 mph. It only takes a few seconds for a distracted child to dart out in the road. Please be aware and safe while driving.

AUTOMOBILE REPAIR. It is against the rules to work on your vehicle in The Homes. If your vehicle needs repair, then you will have to take your vehicle out of the neighborhood or take your vehicle to a mechanic. Unless you are changing a flat tire, you should **NEVER** put your vehicle on a jack in the Homes.

LITTERING. Think twice about throwing your trash out your car window or into someone's yard. First, it's rude and selfish. Someone will have to pick it up and most of the time it is the maintenance staff. This takes time and money away from other resident's needs. Second, it is against the law. Littering is a Class C violation that is punishable by a fine up to a \$500.00.

KEEP FURNANCE AND WATER HEATER AREAS CLEAN. Having too many clothes, boxes, or general clutter in your utility area can be a fire hazard. Please keep yourself and your neighbors safe and keep your utility areas clean. **DO NOT PILE CLOTHES OR OTHER ITEMS ON TOP OF THE WATER HEATER OR FLU AREA.**

NOISE. Please be mindful of the level of noise you create. It is our responsibility to keep the sound we make to a reasonable level, so we are not disturbing our neighbors. Sometimes, simply communicating with your neighbors and working out an understanding can resolve this and many other problems.

STICKS AND LIMBS: Place sticks/limbs in 4-foot bundles to the curbside for pickup by maintenance.

7. Name one of the phone numbers for free spay/neuter clinic?

DO YOU HAVE A TOD (TRANSFER ON DEATH)?

We tend to think nothing bad will ever happen to us, especially when we are young. Sadly, that is not a reality. Not being prepared will only add to the stress of your family and friends.

A TOD allows you to designate someone to receive your share of stock/your home in the event of your death. If you do not have a TOD or will, your property will go into probate and that could take up to a year until it is resolved. During that time no one can live in or sale your home. No one can take property from your home.

Please take a few minutes and stop by the office to complete a TOD. The individual(s) that you are designating must be present so that the TOD can be notarized. The office offers notary services. If you can't come to the office, you can get a TOD notarized at banks, courthouses, shipping stores, or real estate/law firms. (A TOD form is available at the office or on our website thehomesinc.com)

TOD for pets?

The law considers pets as property. In the event of your death, if you do not have a plan in place for your pets to go to family, friends, or an organization, their future could be at risk. Recently, a resident unexpectedly passed away, leaving two pet cats. There was no plan in place for the future of their cats. No family or friends wanted the cats. Neighbors and management fed and watered the cats, but they stayed alone in the unit until they could be placed.

Most cities animal control services will take pets that have been abandoned due to death. If the pet has a good temperament around a new environment and people, it will be adopted out. If the pet does not have a good temperament, it will likely be euthanized.

You can have legal documents created for the care of your pets. A much cheaper and easier plan for your pets is to talk with family and/or friends and designate who will be responsible for them. Inform the office of your pet(s) plan so that the transition is easier.
